| Vaccinia Virus | | | | |

FUNGICIDAL:

Kills the following fungi:

In 5 minutes:

Candida albicans

Use Instructions

1. Pre-clean heavily soiled areas.
 2. Apply by coarse trigger sprayer or electrostatic sprayer to hard, non-porous surfaces. Spray 15-20cm from the surface; making sure to wet surfaces thoroughly. All surfaces must remain wet for the required time indicated in the directions for use.
 3. Wipe surfaces dry with a sponge, mop, or cloth (or allow to air dry).
- Rinsing is not necessary on non-food contact surfaces. Do not use this product to clean or disinfect glassware, dishes, or silverware.*

Safety Information

Wash hands thoroughly after handling. Get medical advice/attention if you feel unwell. Store in accordance with local regulations. For additional information, please refer to the Safety Data Sheet.
