

Dermasoft Sanitising Hand Gel

Offers a more convenient means of sanitising your hands. The product requires no water, can be applied in seconds and eliminates disposal of paper towels. Wall mounted or free-standing units can be placed close to staff to promote use. Appropriate for use with or without gloves. If gloves are required, Dermasoft Sanitising Hand Gel will make putting on the gloves easier and inhibits bacterial growth under the gloves.

TGA Registered

Contains moisturisers

Effective against common micro-organisms

Kills 99.99% of germs

70% ethanol content

Leaves no residual odour

Non-greasy

Absorbs quickly
